Introduction

The Masters Programme

The Department of Construction Economics and Management offers courses aimed at equipping property development practitioners to confront the challenges of the modern world.

Six individual block release courses are offered in 2018. Continuing Professional Development students may take each course as a separate certificate course. CPD students are required to attend the lectures, but are not required to submit assignments or write the exam.

Continuing Professional Development (CPD)

Modules of this Masters Programme are offered to Continuing Professional Development students as separate certificate courses from which a participant can obtain CPD credits. Courses consist of an intensive week at the University of Cape Town, comprising formal lectures, class assignments and seminars/tutorials.

Who should attend?

The programme has been designed to be accessible to people in full-time employment as well as full-time students. Applicants may register for the individual masters level courses offered by the programme as Continuing Professional Development students.

Note that a prerequisite for attendance is a NQF level 7 qualification. Applicants should provide a CV when applying.

CPD students will be awarded a Certificate of Attendance. University credits will not be awarded to these students.

Format

Each module is structured in the following way: a week of intensive contact time at UCT, comprising formal lectures, class assignments and seminars/tutorials.
